**President**

Dear Friends,

Tim Blevins  
**Vice President**

As the chair of the board of Youth Continuum, I am writing to you today to inform you that Tim Maguire, who for the past year and a half has served as Executive Director for Youth Continuum and has been with the agency for 18 years, is stepping down from his post. His last day with us is February 28.

John Burditt  
**Treasurer**

Tim started his career with YC as a per diem Residential Advisor at a group home. Over the years his commitment and talent earned him promotions from Program Coordinator, Case Manager, Director of Housing Operations and then Chief Operations Officer. In the summer of 2023 Tim took on the additional leadership role of Interim Executive Director until the fall of that year when he was officially named Executive Director. As the Chairperson of the Greater New Haven Youth Engagement Team Initiative (YETI) and the Co-Chair for the Greater New Haven Regional Alliance to End Homelessness, Tim has had a significant impact on youth, staff and partners, as a trusted ally, role model and mentor.

Of course, this is a loss for Youth Continuum but perhaps will also be a time of new opportunities. The Board of Directors is working diligently with senior leadership of the organization and the Board of Clifford Beers Community Health Partners to ensure a smooth transition. Our priority – as it always has been – is to keep youth experiencing homelessness and those at-risk, safe, and we will continue to do so, providing vital food, shelter and programs that help them transition to independent adults.
